

## **Beehive Chapter ICC Minutes – October 19, 2011**

Introduction and Welcome: Chris Swenson

Condolences to Jeff Maag of Cedar Hills, that lost his father recently.

Motion to table acceptance of September Meeting's Minutes was proposed by Skip Tandy, 2<sup>nd</sup> by Kent Partridge. Reason for tabling of minutes was that the minutes had not been distributed early enough for all to review.

Point of Information: Skip Tandy took a few minutes to explain to conversion of the Provo Tabernacle to the Provo Temple and plans for surrounding area.

Business item : Kent Partridge wants to introduce a new portion of the monthly chapter meeting to be a conformity forum. It could be nicknamed "Conformity Corner." This could be a section where a jurisdiction could consult with others on specific issues that need to be dealt with. This would be a time to share ideas on how to address this one city to another.

Business item: Dan Rodriguez introduced monthly keynote speaker. Speaker introduced info regarding Senate Bill 35 (SB35). This bill addresses owners of companies that circumvent hourly compensation by turning employees into owners commonly referred to as 1099 employees. Explained process for administration of the law and how cities can be involved with reporting or investigation for compliance to this new law. This also addresses Owner Builder vs. Licensed Contractor definitions.

Business item: Conformity Corner. Kent Partridge wanted help in enforcing driveway slopes. Wants other cities to bring code info or city ordinance info to next meeting to review for enforcement on a project that is under construction in Eagle Mountain that needs addressing. Please have chapter members bring this info to November meeting.

Adjournment: Motion to adjourn proposed by Skip Tandy. 2<sup>nd</sup> by John Little.
