## Presidency Minutes

Fees for vendors - 300 to 350.00

Gary said "vendors want access to sell products".

Time for them is critical to attract them. May look into expanding exhibits to lunch room for better exposure.

Need to proactively solicit contractors - This is a contractor renewal year. Check on CEU accreditation for contractors.

Chris proposes standard 300.00 fee and have vendors provide 100.00 in prizes or more in fee and provide our own prizes.

Kent proposes that we provide an annual letter to the jurisdictions to describe appreciation for services of officials in the chapter.
