Kent Partridge, 2<sup>nd</sup> Jim Yeoman, Unanimously  
approved..

President, Dave Johnson, welcomed everyone in attendance. Those present broke for lunch and Dave turned the time over to Skip Tandy, Provo City, to introduce today's speakers, Mike LeMaire and Scott Brander, Louisiana Pacific Corporation.

Their joint presentation on *Louisiana Pacific Floor Joist Comparison Charts and Smart Siding* was great and current handouts were plentiful. If you weren't in attendance you missed out on a great class—thanks much to both Mike and Scott from Louisiana Pacific.

## August 11, 2010 Bar-B-Que

The Beehive Chapter held its annual August Bar-B-Que on the 11<sup>th</sup>. It took place at Skip's home and it was well attend. Special "Thanks" go to Bruce Palmer for helping out with the cooking. If you didn't attend you really missed out on a great evening with friends...

That same evening the Annual Hugo Award was presented by President Dave Johnson, CBO of Salem, to Wendy Johnson, CBO of Midway. Wendy is well deserving of this award and her brother and father were visiting from out-of-state which made it all the more fun for her!

The Utah Valley Home Builders Association is in charge of the presentation on October 20<sup>th</sup> and they will provide the luncheon as well.
