

BEEHIVE CHAPTER MEETING

June 16, 2010 Minutes:

Dave Johnson X

Skip Tandy (Excused)

Paul Ashby

Chris Swenson X

Charlie Powell X

Kent Partridge X

Gary Hogle X

Doug Fallon X

WELCOME: Dave Johnson- President

Board Meeting: Dave Johnson, Wendy Johnson, Chris Swenson, Gary Hogle, Dave Houston, Doug Fallon

Regular meeting;

Welcome Dave Johnson-President

Motion to approve the April 21, 2010 minutes. Motion Chris Swenson, 2nd Doug Fallon. Unanimously approved.

President Dave Johnson welcomed all, gave some time to Bill Green to review Article II, the voting proposal for code changes. Some follow up discussion by Bruce Gunn.

Motion to support the change was called(I think it was Bruce Gunn) to support voting change as long as the Utah Chapter and the Bonneville chapter also supported it. No second, as members wanted more time to review proposal.

Motion by Wendy Johnson to allow Dave Johnson to vote for the chapter based on internet poll to be conducted and completed before June 23, 2010. 2nd by Kent Partridge. Unanimously approved.

Dave Houston discussed the proposed acceptance of light fixture changes to remove tubes and ballast of existing lighting and installing LED lighting. Noted that the UL listing would be voided by doing so. Would building officials accept this as an approved application? Some discussion, most wanted to review the information and then decide.

Kent Partridge offered a top 50 list of code changes in the 2009 IRC for members. (Not including state amendments)

Broke for Lunch and then Dave Houston introduced Chris Kimball, P.E. to discuss field engineering judgment calls. Reviewed questions submitted by Dave Houston. Gave members a handout, "Structural Questions and Answers for Building Inspectors" with code references and charts to assist in making determinations. Good discussion.

Motion to adjourn by Doug Fallon, second by Wendy Johnson. Meeting ended at 1:40 p.m.

Gary Hogle did a great job on the June 16, 2010, minutes in my absence--many "thanks" Skip

The next meeting is Wednesday, July 21, 2010 at Orem City, rooms #106/107.
Kyle Graham, LP Building Products will be the speaker...

NOTE: Please continue to park over by the Library and walk over-- it's great exercise and helps on parking congestion too!
