WELCOME: Wendy Johnson- President Motion to Approve the October 15th minutes as Amended, Doug Fallon, 2nd, Dave Houston

Wendy welcomed everyone in attendance and introduce Cathryn Nelson, Chair, of the newly formed Utah Permit Technical Association, and turned a few minutes over to her to explain their involvement with the permit process. Please see the 2 page attachment concerning their association.

Ron Rydman, Utah Valley Home Builder's Association also took a few moments and made the Beehive members aware of a letter sent from the Washington Association of Building Officials (WABO) to Adolph Zubia, President of the ICC. A copy of this letter is attached.

Chris Kimball, Kimball Engineering, was introduced and gave us a mini-class on Structural Plan Review of Residential Construction. This was an excellent class and a great handout is attached.

This coming Wednesday, the 10th, is the Beehive Chapter Annual Business Meeting Please plan on attending on attending, enjoy a great Cabelas box lunch, be ready for your jurisdiction to sign up for one of the months in 2009, and, I almost forgot, you'll receive another \$20 gift certificate to Cabelas.

I greatly appreciate each of you for emailing me back concerning my head count for this weeks upcoming meeting--there should be 60 of us in attendance.
