Motion to Approve the September 15<sup>th</sup>, 2010 minutes, Chris Swenson, 2<sup>nd</sup> Gary Hoglund, Unanimously approved..

President, Dave Johnson, welcomed everyone in attendance. He announced that due to some unforeseen problems the UVHBA was not presenting today and that The Beehive Chapter would have an “*open format*” of questions and answers.

Skip got the ball rolling with a current problem at Provo City--mutli-occupancy building, not fire sprinklered, with occupancy separations required (maybe), and an “A2” Occupancy using the “B” Exception; however occupant load is calculated use *Assembly Occupancy Calcs*.

Dave Houston joined in the fray as did Mike Linford (Kimball Engineering) and several other inspectors too. If you weren't able to attend you missed out on a lively meeting, lots of fun, and great information.!

Reservations for the Wednesday, December 8, 2010, Annual Business Meeting, @Cabelas have been confirmed.

*Special Note: Per Skip's request, please pass over the 3<sup>rd</sup> paragraph of Gary Hoglund's November Presidency Letter.*

Plan to attend and wish him well in his future endeavors and ATV rides!**

**NOTE: For Chapter meetings @Orem, please continue to park over by the Library and walk over-- it's great exercise and helps on parking congestion too!**
