President, Dave Johnson, welcomed everyone in attendance and mentioned that Skip brought ICC Product Catalog Discs for each of the jurisdictions—if you didn't receive one at October's meeting they will be available for November's meeting and they are *free*. He turned the time over to Skip to introduce today's speaker Dr. David Bueche, PH.D, from the Hoover Company.

Dr. Bueche gave a great presentation on the history of Fire Treated Wood Products—the entire slideshow is attached to these minutes. A twelve (12) page color catalog on Fire Treated Wood was also available—it is also attached to the minutes. If you weren't at the meeting you missed out on some great information. Please read your minutes and print off the attachments for your own personal library. Should you need to contact Dr. Bueche his email address is as follows:

[dbueche@ftw.com](mailto:dbueche@ftw.com) and the web address is <http://www.ftw.com>

Next meeting is Wednesday, November 18<sup>th</sup>—our own Gary Pugmire will be presenting. Please be aware and mark on your calendars the Beehive chapter Annual Business Meeting. All attendees to the Beehive Chapter Annual Business Meeting, to be held at Cabelas, December 9, 2009, will receive a \$20.00 gift certificate to Cabelas, so mark this date on your calendar, now! You should already have received an email from Skip and sent him your reply...hopefully!
