WELCOME: Chris Swenson- 1st Vice-President

Motion to Approve the July 21st & August 11th,
2010 minutes, Jim Yeoman, 2nd Wendy Johnson,
Unanimously approved..

1st Vice-President, Chris Swenson, welcomed everyone in attendance. He introduced Wendy and she gave a short explanation on her Code Change Proposal on “*Rooms with Outside Air*”. She is working with Brent Ursenbach on this project.

Those present broke for lunch while Gary Pugmire, Simpson Strong-Tie, finished setting up. With everyone seated Gary began his excellent presentation, asked for questions and inspector participation, and, on occasion, supplied the answers. Current handouts were catalogs and were plentiful. If you weren't in attendance you missed out on a great class—thanks much to Gary for sharing his expertise.

The Beehive Chapter will have an “*open format*” of questions and answers on October 20th so bring your questions and code books. The Chapter will provide the luncheon as well.

On a sad note, Orem City Manager, Jim Reams, unexpectedly passed away this past month. He was/is an amazing person and a “great friend” of the Beehive Chapter. He is sorely missed by all who knew him.

<p>The next meeting is Wednesday, November 17, 2010 at Orem City, rooms #106/107. DOPL is in charge of the presentation and the Beehive Chapter will provide the lunch...</p>

NOTE: Please continue to park over by the Library and walk over-- it's great exercise and helps on parking congestion too!
